Re: United States v. Levon Avinger
7:22-mj-07548-UA

Dear Judge McCarthy:

On or about September 16, 2022, the undersigned was appointed to represent Mr. Levon Avinger in the above matter. On September 28, 2022, a detention hearing was held before your Honor and at the conclusion of the detention hearing, the Court ordered the defendant released on conditions. One of the conditions that the Court set was that the unsecured appearance bond entered into by the defendant be co-signed by three financially responsible persons (hereinafter "FRPs"), which persons would be interviewed by the government prior to being confirmed as FRPs.

The Court ordered that the bond conditions be completed prior to October 6, 2022. As a result of some difficulties in having one or more FRPs interviewed prior to that date, the undersigned respectfully requests addition time to have the proposed FRPs interviewed. The undersigned requests that the Court modify its September 28, 2022 Order to permit the completion of the bond requirements by October 14, 2022.

RESPECTFULLY SUBMITTED,

THE DEFENDANT,
LEVON AVINGER

Respectfully submitted,

/s/ Bruce D. Koffsky
